

**GASTON LOW-COST SPAY/NEUTER CLINIC
425 WEST FRANKLIN BLVD.
GASTONIA, NC 28052
704/868-4673 – Fax: 704/868-0010**

DROP OFF BETWEEN 8:00 - 8:30 AM — PICK UP: DOGS 4:30 PM – CATS 5:00 PM
Please allow at least 10-15 minutes for drop off and pick up.

**FOOD AND WATER BEFORE SURGERY:
WATER IS ALWAYS ALLOWED**

FOR ALL PETS: FEED A NORMAL MEAL FOR SUPPER ON THE NIGHT BEFORE SURGERY AND GIVE A LITE MEAL CLOSE TO MIDNIGHT. REMOVE ALL FOOD BY MIDNIGHT!

PETS UNDER 1 YEAR, TOY BREEDS AND ANIMALS NOT IN THE BEST OF HEALTH SHOULD BE “SUGAR LIPPED” BY THE OWNER THE MORNING OF SURGERY. PUT A DOLLOP OF KYRO SYRUP OR PANCAKE SYRUP ON A Q-TIP AND PUT IT ON THE PET’S TONGUE, CHEEKS OR GUMS. This will help your pet regulate its blood sugar while awaiting surgery. This is an extra precaution to make surgery safer.

CATS MUST BE BROUGHT IN CARRIERS! -no exceptions. If you need a carrier, let us know.

YOU SHOULD TELL US IF YOUR PET:

- IS TAKING ANY MEDICINE;**
- HAD ANY SHOTS WITHIN THE LAST 60 DAYS;**
- IS OR HAS RECENTLY BEEN SICK.**

POST SURGERY: We strongly encourage everyone to purchase an E-Collar. E-Collars minimize licking at the surgical site and reduces the pet’s activity after surgery. We want pets quiet after surgery.

Failure to pick up at scheduled time will result in an overnight boarding fee of \$50.

Animals should be kept inside, quiet and safe after surgery. Follow all post op instructions. To see all pre and post op instructions, visit www.gastonspayneuter.com

If your pet has current rabies and distemper vaccinations, please bring the vet records with you on surgery day. If vaccinations are not current, we must give the rabies and distemper shots at the time of surgery.

NO REFUNDS FOR NO SHOWS OR CANCELLATIONS
